

PEOPLE SOLUTIONS

SIGMADESIGN is a product development and engineering services firm offering technically-focused staffing and recruiting solutions.

SIGMADESIGN offers several options for solving your staffing needs. As product development and engineering specialists, we understand the value of getting the right technical resource.

ON-SITE RESOURCES

Our resources at your site.

- Service on standby. Here when you need us.
- Short-term or long-term.
- Your project. Your budget. Our people.
- Quick reaction force. "Smoke Jumper" concept.

DIRECT PLACEMENT

Your next hire, technically-vetted by SIGMADESIGN.

- Get more exposure without the effort.
- Free service until you hire.
- Negotiated percentage fee based on salary.
- Applicants vetted by our Engineers and Techs.

CONTRACT-TO-HIRE

Evaluate your next hire without the risk.

- A working interview lets you assess if the candidate is right for you.
- Tier-based rates according to contract duration.

TALENT SPECIALIZATION

Our professionals cover the spectrum of product development services, and we can find the same people for you.

- Mechanical Engineers & Drafters
- Electrical Engineers
- Firmware & Software Engineers
- Systems Engineers
- Test Engineers
- Industrial Designers
- Project Managers
- LabVIEW Developers
- Simulation & Analysis Professionals
- Operators & Assembly Technicians
- Engineering Support Technicians
- Test Technicians
- And more!
