

DIRECT PLACEMENT SERVICES

YOUR NEXT HIRE, TECHNICALLY VETTED BY OUR EXPERTS.

SIGMADESIGN is a product development and engineering services firm offering engineering-focused recruiting services. In a competitive market, it is challenging and time consuming to find the right talent for engineering and other technical roles. This is where **SIGMADESIGN** can help.

DIRECT PLACEMENT

SIGMADESIGN's Direct Placement service allows you to focus on your business, while we find you the perfect match. Due to our experience as a product development and engineering services firm, we know what great talent looks like. Our experienced recruiters work with our team of engineers and technical professionals that are currently working in the field to examine a candidate's capabilities and job fit. The best part? It's free until you hire.

BENEFITS OF DIRECT PLACEMENT

Your next hire, technically-vetted by **SIGMADESIGN**.

- More exposure without the effort.
- Free service until you hire.
- A negotiated percentage fee based on salary.
- Applicants vetted by our Engineers and Techs.
