

ON-SITE RESOURCES

YOUR PROJECT. YOUR BUDGET. OUR PEOPLE.

SIGMADESIGN is a product development and engineering services firm offering engineering-focused recruiting services. Our in-house recruitment team has years of experience bringing top talent to **SIGMADESIGN**.

We share that talent with our clients via our On-Site Resources service. Whether it is for five days, five months, or five years, we will assign you the right resource to work at your facility or remotely, augmenting your capabilities. Our On-Site Resources service is the ideal solution for unpredictable times.

ON-SITE RESOURCES

Demand and resource availability can be wildly unpredictable, and being short-staffed during critical times can be detrimental. **SIGMADESIGN** can help fill your temporary staffing needs.

BENEFITS OF ON-SITE RESOURCES

Our resources at your site.

- Service on standby. Help when you need it.
- **SIGMADESIGN** staff at your location.
- Flexible terms. Short-term or long-term.
- Quick reaction force. "Smoke Jumper" concept.
